# So You Got Stationed Overseas:: Why You **NEED** To Make **TRAVEL** A Part Of Your Short PCS Abroad

## Synopsis

Whether you just recieved orders to PCS to Europe or if you have already been living there, travel can make all the difference on your outlook of life during your time abroad. "So You Got Stationed Overseas" is the perfect toolkit for any US Military member facing a PCS to Europe. It helps to demystify common questions military members have while living abroad, such as traveling visas, passport confusion and rules on drivers licences. We debunk all the excuses and reasons to why people think they can't travel (it's too expensive, not enough time off or it is too stressful, etc.). Then, you receive real, ACTIONABLE advice to get you comfortable living overseas and take baby steps towards travel. With helpful links, resources and tools at your fingertips (many geared specifically towards you, a US military member) planning your next trip and living abroad has never been easier. In addition to being the perfect travel book, you'll receive a free download Workbook to take make your travel dreams a reality.

## Customer Reviews

This book was very informative while remaining light. It includes topics that every military family needs to know when planning to travel while stationed overseas. I found the entire book and resources given by the author to be very useful while planning a trip for myself. If you are moving

overseas with the military and are the least bit concerned about making traveling an option during your PCS abroad, I absolutely recommend this book to you!
