94 Pediatric Nursing Questions (Practice Questions And Rationales)

Synopsis

Pediatric Nursing Test Prep :: Ace Nursing School! It's time to take your nursing school and NCLEX® prep to the next level. This ebook from NRSNG.com provides 94 highly crafted and unique practice questions with rationales. Each rational averages over 100 words in length to insure that you understand the content completely. The best way to prepare for the NCLEX® and nursing school exams is through repeated review. Includes multiple choice and Select All That Apply (SATA) questions. Questions + Rationales + Repetition = RN! The best way for nursing students to prepare is through repetition of the core content. This book is divided into the 8 core areas tested on nursing exams: • Basic Care and Comfort • Health Promotion and Maintenance • Management of Care • Pharmacological and Parenteral Therapies • Physiological Adaptation • Psychosocial Integrity • Reduction of Risk Potential • Safety and Infection Control. With each question covering pediatric content. The entire book contains over 15,000 words. Now you can take your test prep anywhere you go with your iPhone, Kindle, tablet, Android, or computer. Simply download the free Kindle app and start your studies! Our goal at NRSNG.com is to help you reach your goal of RN. As with all of our other books you can expect the most highly crafted questions and quality. We are the best selling nursing prep company on .com. Want to know more? Customer Reviews

I chose this book because I have already read two of his other books and I truly enjoyed them. I would recommend these books to any student that is in the lpn nursing program and wants extra practice answering questions. The rationales are there and you can do the questions over and over again. I just wish the book had more questions.

Covered alot of info in reference to Pedi!!!!

Excellent q-bank, but went through the questions in no time, would have loved to have more. Wasn't super fond of the format either but it's just me, overall I'm happy i purchased it.

This book has 100 Questions. It has critical thinking style question. Great review for Nclex. I strongly recommend this book.

I am using this to study for my nclexRN. Easy to use and good for fundamentals

If your struggling with PEDS there are some great questions and rationals.

very precise wonderful for NCLEX help my daughter a's the test

Not what I expected. Does not have information that I need.
