Customer Reviews

I purchased this book on the basis of the reviews. I am a bit less taken with it. It's ok and a bit old fashioned. The rhymes and stories are ancient, the illustrations not very interesting.

This book has all kinds of wonderful things for new grandparents - nursery rhymes, songs and stories. It is wonderful!

Loaded with ideas, this book helps one build a strong relationship that will endure the teens years and beyond. I looked over several grand parenting books and liked this one the best.
