# Grammar And Beyond Level 4 Student's Book

## **Synopsis**

Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. Student's Book, Level 4 is the main component of Grammar and Beyond. In each unit, students study the grammar in a realistic text and through charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive corpus of learner language. Each unit concludes with a Grammar for Writing section, in which students apply the grammar in an extended writing task. Note: Access Code NOT Included

Very disappointed!!! It wasn't said anything about written on a pages most of a lesson already done and it's can be seen on a pages. Not recommended to believe what it's said " very good-like new"(

What I find great in this book is its thematic organization. I highly recommend it to anyone wishing to learn English.

It's just the stuff wanted. Perhaps, I could prepare myself good enough to pass the level. Thanks a lot. !

Sincerely I hate this textbook but I need to buy it.

very fast and the book is very good.

Very damaged cover unfortunately!

This book looks like very new.

Really good price for new book
