Customer Reviews

I've used these for years visiting New York. They're so handy and easy to use. The map, it turns out, is regularly updated, so look for the latest pub date. The current one is dated 2013 and is good for 2014. They make great small gifts too.

One of those extremely clever items. Small enough to slip in your pocket and easily opens out to find your way

Great map and easy to understand
